Movies Opening This Week

Life as We Know It is a romantic comedy film directed by Greg Berlanti starring Katherine Heigl and Josh Duhamel. After the untimely death of their friends, the duo have to come together despite their disastrous first date to raise the daughter left in their care. **Secretariat** tells the story of Penny Chenery and her Hall of Fame racehorse, Secretariat (born March 30, 1970 — died October 4, 1989) who, in 1973, became the first horse in twenty-five years to win the Triple Crown of Thoroughbred Racing. **My Soul To Take** - According to legend, a serial killer ("The Ripper") will return to the quaint town of Riverton to murder the seven children that were born the night he allegedly died. **It's Kind of a Funny** is centered around Craig (Keir Gilchrist), a 16-year old who, after a bout of depression, checks himself into a psychiatric hospital.

Porn Star Bobby Clark is performing live at **Discotekka** in **Miami** on Saturday, October 9th as part of Manhunt's "Big Men on Campus" tour. Mark's List caught up with Bobby to talk about his performance and his adult film career: **Q** - You're performing at Discotekka soon. Were you chosen to be a part of Manhunt's "Big Man on Campus Tour"? **A** - Yeah, I was chosen—probably because I'm their best customer. I'm always on Manhunt. Read **Bobby Clark's interview**.

Wilson Cruz stars in "The People I've Slept With," one of the premiere films at The **2nd Annual Fort Lauderdale Gay and Lesbian Film Festival** at **The Manor** in Fort Lauderdale. The film is directed by **Quentin Lee**. Cruz, who gained popularity and a strong following playing Rickie Vazquez on "My So-Called Life" in the 90s, talked with Mark's List about his current film and the effect he has had on the GLBT community. Read **Wilson Cruz's interview** on Mark's List.

Chuck Panozzo, a longtime member of the band Styx, performed at "That 70s Party" hosted by **The Manor Complex** in **Wilton Manors**.

The event benefited six select HIV/AIDS charities. Panozzo, who was diagnosed with HIV in 1991, spoke with Mark's List about his performance, his activism and his future. Read **Chuck Panozzo's interview** on Mark's List.
